Monthly Feature: October Update

The Hagerstrom's Ministry Update:

October has come and gone so quickly, it's hard to believe this past month included four shows, two school chapel services, and two shows by my students' ministry, the LOL Vaudeville Show. My students had two very diverse venues: the Portland Root Cellar and River View Psychiatric Hospital. While the 7th and 8th graders did a great job sharing the Gospel in word and deed, they also had the chance to learn about two very different populations: African refugees and People with mental illnesses. These are unique opportunities for most people, and the kids learned a lot.

Though not exactly a show, my favorite ministry in October was getting to speak for our high school chapel. These are mostly kids whom I have taught as middle schoolers, and it's great to catch up with them and tackle more mature topics than would have been appropriate when they were my 12 and 13 year old students.

I also had the chance to do two shows on Halloween night at Bridgton Alliance Church. They had a good turn out at their harvest party, and it was a chance to reconnect with some old friends. At scheduled times, the games all shut down and the families came into the sanctuary for my show. Please pray that there would be an impact from this outreach event.

PLEASE PRAY FOR THESE UPCOMING PROGRAMS:

Market Square Health Care, So. Paris 11/2 at 10:00 AM

South Paris Veterans' Home, So. Paris 11/5 at 10:00 AM

High School chapel, WCA 11/12

Middle School chapel WCA 11/18

Elementary Chapel WCA 11/18

If you would be interested in joining us at a show to see what we do, pray while the Word is shared, and visit audience members before and after the program, let us know. Some venues are open and others are closed, and there can be an occasional rescheduling or cancelation.

INVITATION: On December 12, I will be doing three shows at the Umbrella Factory grocery store right down the road in Naples. This has become an annual event for the store's Christmas party. Remarkably, the owner is completely fine with me talking about the Lord. Come see what it's like to share the Gospel while juggling in the produce aisle!
